

Garden Valley Ranch Estates Community Service District

General Manager Road Report

Friday, November 18, 2022

Street Line Painting- Completion of roadway center white lines have been completed on Johntown Creek road.

Pond Entry Culvert- Culvert (pond drainage at entrance to Garden Valley Ranch Estates). All is good currently and water flow through the culverts is going smoothly. I believe this will always be an area of concern during storm season and constant monitoring will be needed. At this time, I have not contacted the Department of Waterways.

Lazy Brook Bridge Repair- Repair of the railing has been completed by Phillips Steel.

Clean up of Lazy Brook Bridge- Waiting to hear back from Louie M.

Safety Equipment- SDMRA is the organization that extends this offer to CSD's at the beginning of each new year.
