

## Garden Valley Ranch Estates Community Service District

We are pleased to launch our new website for the Garden Valley Ranch Estates Community Service District. This site is open to the public and provides transparency into the activities of the District.

A large blue circle contains a white computer monitor. On the screen, a red and orange rocket is launching upwards, leaving a white trail. The background of the screen is light blue with white clouds. The text is positioned on the left side of the screen.

Our new website is easy to navigate and will keep you better informed about news and events in our Community Service District. Our new website has:

- Minutes
- Agenda Packets for upcoming meetings
- Budgets
- Contact information
- Allows you to report Road Concerns
- Current Board and Staff
