Road Maintenance Report

November 17th, 2023

Road Paving- Sacramento Paving has completed the paving on Chrysler Circle (small section) and will not address remaining issues on Hollow Oak and Lazy Brook. Given the multiple flaws on both Hollow Oak and Lazy Brook, Sacramento Paving has settled for a reduced cost for Lazy Brook of \$2300 and \$3000 for Hollow Oak.

Pond Culvert area- Project tree trimming and clean up has been completed. In the spring we will finish the repair work inside the culverts with some concrete patch work.

Road Signs- Received new roadway signs which were installed.

Main Entry Concrete Pour- Crowton Excavating has completed the repairs along the edge of the black top at the main entry bus stop as well as a small section on Shaker Lane.
