

## **G.V.R.E.C.S.D GENERAL MANAGERS REPORT:**

1/18/2019

- Roadwork day- thanks to all who participated. We got permission from the department of water resources and were able to clean up a large amount of debris blocking the culverts under Johntown creek rd at the creek crossing. We ran a stripe down the middle of Johntown creek rd at est. mile point .8. There were some pot holes repaired as well. One on Johntown creek rd at est. mile point 1.7 and one on Roller coaster rd.
- Thanks to Mark Mazzano and Jack Artz for their work on our roads. They got approval for and cleaned up the intersection at the “Y” at Johntown creek rd and Chrysler circle.
- FEE INCREASE PLAN
- ROAD MAINTENANCE PLAN-plan to meet with Jim from Vicini Construction on Wednesday 1/23/2019
- SAFETY COMMITTEE
- EVACUATION PLAN (GATE)-Me and Marianne have been in contact with the president at the Garden Park HOA. She would like to purchase at Knox box and share the cost with us. She would also like to have a document notarized and put into both our laws for the continued available access to the gate at hood ct and hancock rd.
- Roads are doing well, potholes have been repaired and culverts and drainage are working.
- I have completed my Ethics training.
- GENERAL MANAGERS HANDBOOK-All information specific to the tasks of the General Manager including- brown act, by laws, plans, task outlines, important phone numbers and addresses, timeline, etc...
